TRANSFORM YOURSELF INTO A CARIBBEAN QUEEN

Escape the traditional and relish in an exotic celebration of your love. Whether you're exchanging your vows or celebrating your honeymoon here, you'll love the Caribbean charm and the familiar feel of the U.S. Virgin Islands. St. Croix, St. John and St. Thomas all operate under U.S. laws, language and currency, but each island also has a flavor all its own.

You Unscripted

THREE ISLANDS TO EXPLORE

Discover the beauty of all three islands. Whether you're in search of the perfect spot to exchange your vows or want a picturesque view for your honeymoon romance, each island offers you a variety of experiences as individual and romantic as you are.

ST. CROIX

St. Croix's white sand beaches beckon like hidden gems. European architecture lies around just about every turn of the quaint cobblestone streets. And intimate bed and breakfasts dot the coastline almost as often as picturesque windmills and historic sites do.

ST. JOHN

Just a 15-minute ferry ride from St. Thomas, St. John is the land of luxury resorts, world-class restaurants and gorgeous villas with unrivaled views of turquoise blue waters. The pristine beaches on St. John are a special treat too, as two-thirds of the island is preserved as a national park.

ST. THOMAS

St. Thomas is the energetic and outgoing sister of the bunch with everything from bustling shops, nightclubs, world-class golf and restaurants galore, to parasailing, deep sea fishing and bargain hunting to your heart's content in a harbor full of duty-free shops, all clustered around top-rated beaches.

LET GO OF THE TRADITIONAL AND GO EXOTIC

No one knows what it feels like to be in love better than you. And no one knows what an island wedding is like until they've done it themselves.

ADAM & APRIL

Adam and I met on the beach in Cape Cod, so we always knew we wanted to get married on a beach somewhere. Neither of us had been to the Caribbean, so we got really excited about an island wedding. We picked St. John because it was exactly the kind of beautiful, idyllic place we had imagined. And, since it's a U.S. territory, it made things a little easier on everyone traveling there. In the end, we had 42 of our closest friends and family right there as we said our vows—just as the sun disappeared into the water. It's an old sailor's tale that you can see a green flash as the sun sets into the sea. I don't know if it's true or not, but our guests swear they saw it. After the ceremony, we had an amazing dinner. And everyone had their own coconut to drink from. After that, the local calypso band we hired really heated up, and we all danced on the beach for hours.

ESCAPE STRESS AND EMBRACE EASE

Let go of the overly complicated planning and indulge in the picture-perfect day. Whatever your day entails, the islands are full of experienced planners to help you with every detail. Indoors or out, sunrise or sunset, in a church, on a mountain, aboard a yacht or even underwater, a wedding here is bound to be beautiful. See the helpful wedding checklist and legal information on the next page. Also look for a complete list of wedding planners, vendors and services in the back of this guide.

To make your fairy-tale wedding become a reality, visit www.visitusvi.com and download an application for a marriage license from the Superior Court of the U.S. Virgin Islands. You may also call 340-774-6680 for a wedding on St. Thomas or St. John and 340-778-9750 for a wedding on St. Croix. After the Court receives a completed application, there is a required eight-day waiting period. If either party is divorced, he or she must have a certified copy of the divorce decree or a notarized affidavit stating when the divorce was granted. Additionally, please specify whether the marriage will be performed by a judge in the Court or by a member of the clergy. The combined marriage application and license fee is \$200 (\$100 for application/\$100 for license). If the marriage is to be performed by a judge, there is an additional \$200 fee for the ceremony and an appointment is required. Personal checks are not accepted.

FIND YOUR PERFECT BACKDROP

Let your imagination go wild with possibilities. Pick a quiet dune, secluded cove or palm-laden shore. Altogether, you'll find more than 87 beautiful beaches to choose from including Magens Bay on St. Thomas and Trunk Bay on St. John, both consistently rated two of the top ten beaches in the world by Condé Nast. And Chenay Bay on St. Croix is one of the best-kept secrets of the Caribbean.

WALK DOWN THE AISLE OF YOUR CHOICE

Glide down an aisle of seashells, grace the teak deck of a yacht or stroll the historic path of a sugar mill ruin. Your wedding can take place just about anywhere your imagination takes you. Explore the whitewashed stone and red tiled roofs of some of our oldest houses of worship. Discover harbor after harbor of beautiful boats anchored in deep blue seas. Visit botanical gardens, luxury resorts and natural vistas atop rolling green hilltops. Even plumb the depths of the Caribbean Sea for an underwater ceremony. The possibilities are as romantic and adventurous as you dare to make them.

TRANSFORM YOURSELF INTO A GODDESS

Exotic, tropical flowers will complete your wedding attire. Experiment with the bright pinks, oranges, reds and whites of island favorites like frangipani, hibiscus and bougainvillea.
